**REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. 1.47**

On January 7, 2004, the Examiner dismissed Petitioner's petition of August 26, 2003 on the grounds of failing to satisfy:

- (a) 37 C.F.R. 1.47 petition requirement 4 by not paying for an advanced Internet U.S. Search report as proof of diligence in efforts to locate non-signing inventor, and
- (b) 37 C.F.R. 1.47 petition requirement 5, because the USPTO electronic record did not include a (Rule 47(b) proof of applicant's sufficient proprietary interest in the subject matter.

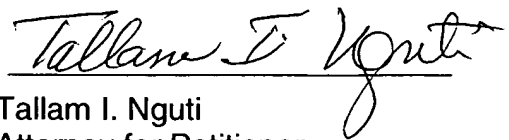

In reaction to the January 7, 2004 Examiner's dismissal of Petitioner's petition, on the grounds above, Petitioner **has been successful in locating the non-signing inventor, Kelly J. Breuer.**

Petitioner did so by using the birth date and age information of the non-signing inventor Kelly J. Breuer to conduct a paid-for advanced Internet U.S. search as suggested by the Examiner.

As a result, **please find an executed Declaration and an executed Assignment by the non-signing inventor, Kelly J. Breuer.**

It is Petitioner's belief that no additional fee is required for this request for reconsideration, however, the undersigned Xerox Corporation attorney (or agent) hereby authorizes the charging of any necessary fees, other than the issue fee, to Xerox Corporation Deposit Account No. 24-0025.

In the event the Examiner considers personal contact advantageous to the disposition of this case, he/she is hereby authorized to call Tallam I. Nguti, at Telephone Number 716-423-2477, Rochester, New York.
